Manufacturer & Exporter of Precision Balls & Allied Products

DSP Precision Products Pvt. Ltd.

Manufacturer & Exporter of Precision Balls & Allied Products

About Us

SP is one of the leading manufactures of Precision Grade Balls from High Carbon & Chrome Steel, Stainless Steels, Brass, Copper, Silver, Tungsten Carbide, Ceramics and other materials (against specific demand like, glass, plastic, nitride). Products are made as per different Grades of AFBMA, DIN & ISO Standards and as asked for by the customers, either as per their product drawings or after understanding their technical requirements.

The unit was established in the YEAR 1995 by Mr. YASHPAL VERMA; the chairman of the Company. An Engineer by profession, he, now, has a vast experience of over 40 years in the production of Balls. He was also, part of the team which Started the First Three Ball Manufacturing Plants In India.

The company is certified for ISO 9001 : 2000 by BVQI. It is situated in the foot hills of Himalya at Baddi, Himachal Pradesh.

The company is proud to be AUTHORISED for 'SELF-CERTIFICATION' of Product Quality from its valued customers; who themselves are certified for either QS 9000 & TS 16949. The company also enjoys Vendor Evaluation Rating of over 90% from these companies of International Repute.
